

**TWIN LAKES PROTECTION & REHABILITATION DISTRICT
VILLAGE OF TWIN LAKES
STORMWATER MANAGEMENT, NON-POINT POLLUTION &
MITIGATION COMMITTEE
September 21, 2005 - MINUTES**

Meeting called to order in Twin Lakes Village at 7:11 p.m.

Members present: V.Baracas, B.Robinson, B.Loranger, R.Boone. Absent J.Kennedy,J.Rukas, B.Pragalz. Trustee not present.

All members will try to recruit more people for this committee.

B.Robinson volunteered to take minutes and agenda.

Loranger moved to approve minutes of Nov. 16, 2004, Robinson seconded.

Treasurer's Report: N/A

Committee Reports: N/A

Old Business:

Non-phosphorus fertilizer: V.Baracas will contact the newspaper to put in an article to remind people that the Village ordinance prohibits the use of phosphorus in lawn fertilizer.

Stormwater plan and ordinances: B.Loranger will contact D.Cox and get copies for all committee members.

Grants: V.Baracas will attend Steering Council meeting to stay informed on any grants available.

New Business:

Esch Road Project: The Village and Steering Council is aware of the problems in this area. V.Baracas said they will hire an engineering firm to advise on the problems and offer solutions. We will keep close to this issue by attending Steering Council and Village Board meetings.

EPA Regulations: B.Loranger will check with D.Cox.

New Projects: R.Boone identified serious storm water run-off in the area where he lives near MadDan's. He will look into this further. We will also identify any other problem areas in the storm water management plan. We will also try to get the record of how often the lakes were tested during the summer and which areas were specifically tested.

Next Meeting: October 19, 2005, Wednesday, 7p.m., Village Hall

Meeting adjourned at 8:01 p.m. by B.Loranger, seconded by R.Boone.

Barb Robinson,
Secretary
