

TWIN LAKES PROTECTION & REHABILITATION DISTRICT
STORMWATER MANAGEMENT, NON-POINT POLLUTION
AND MITIGATION COMMITTEE

February 21, 2007 – Minutes

Meeting was called to order by Vyttau at 7:04 p.m.

Roll Call – Vyttau Barcas, Barb Robinson, Ross Boone, Betty Loranger

Ross moved to approve minutes of 1/16/ 2007, Barb Seconded, motion carried.

Old Business:

Non phosphorus fertilizer—Many of our signs have been damaged, so Ross moved to ask the Steering Council if we could buy new ones, Betty seconded, motion carried. We will put them up throughout the town to remind residents of ordinance.

Esch Road Project—Vyttau wrote a proposal to present to the Steering Council and also sketched diagrams showing how this problem could be fixed by using Village Public Works since we were turned down for the grant.

Update Village Maps—Vyttau will inquire how these are coming along.

Lakes Testing—Vyttau created a spreadsheet to document all results. He will order a new supply of testing material

Bayview Channel—Barb suggested we have a field trip to Bayview and Highland and trace the flow of water coming down from Main Street. We will meet there on March 17th at 10:00 am.

Driveway Sealants, Sand on Shoreline—we will continue to encourage the Village to pass the no Sand on Shoreline ordinance.

New Business:

Vyttau gave an update on last Steering Council meeting.

WAL Workshop—February 24th, Vyttau, Barb and Ross will attend.

Next meeting date is March 20, 2007, 7pm.

Barb moved to adjourn at 7:59, Ross seconded, motion carried.
