

TWIN LAKES PROTECTION & REHABILITATION DISTRICT

STORMWATER MANAGEMENT, NON-POINT POLLUTION  
& MITIGATION COMMITTEE

November 15, 2006 --MINUTES

Meeting was called to order by Vytou Barcas at 7:03 pm.

Roll Call: Vytou Barcas, Barb Robinson, Anthony King, Betty Loranger

Tony moved to approve the minutes of October 18, 2006, Vytou seconded, motion carried.

Old Business:

Non-phosphorus Fertilizer: Barb will collect all signs and store for the winter.

Esch Road Project: Nothing New

Update Village Maps: On hold until D. Cox gets us a copy of the 2004 evaluation study.

Lakes Testing: Tony tested Lance Park, Snack Shack, Pink House, Bayview Channel by foot bridge and Bayview Bay. He took pictures and showed us results. We will document all results. Vytou suggested we use up all our E-Coli test kits because they will expire .

Bayview Channel Runoff: Nothing New.

Driveway Sealants, Sand on Shoreline: We will continue to encourage the Board to pass the ordinances.

New Business:

Vytou passed out questioners he received at the steering council meeting. Each Lakes committee will evaluate the POP's, fire lanes, walkways, etc., around the lakes in order to assess their educational, recreational and environmental value.

Ross Boone joined the meeting at 7:42pm and gave us his lakes testing results. We will continue to document these results and start testing again in the Spring.

The committee agreed to skip the December meeting .

Next meeting date is January 17, 2007.

Betty moved to adjourn at 7:50pm, Tony seconded, motion carried.
